Dear Mr and Mrs Green,

Thank you for your donation of £2000 to our Ukraine Crisis Appeal and Global Refugee Fund.

Your support is giving a warm welcome to people as they arrive to safety after long perilous journeys. The British Red Cross has been working alongside Red Cross and Red Crescent movements in the region in setting up Humanitarian Service Points providing essential humanitarian support for refugees such as cash, food, water, mental health support and health referrals, especially for vulnerable groups.

As the Ukraine crisis continues, your donation will allow us to assist people with support such as access to food and clean water, shelter, healthcare and psychosocial care. As well as providing first aid, warm clothes and power for vital services such as hospitals.

The Ukrainian Red Cross Society and the International Committee of the Red Cross (ICRC) have been working hand in hand with affected communities and Red Cross teams in bordering countries to respond to the vast humanitarian needs caused by over a decade of conflict.

The Ukraine Crisis appeal will support people in areas affected and those potentially affected in the future by this crisis. In the event there are surplus funds raised these will be used for the general charitable purposes of the British Red Cross. Gift Aid recovered on donations received to this appeal, and any income earned on funds held (such as bank interest), will fund the whole of our work.

Thank you very much once again for your support.

With best wishes
