Every gift you give touches another person's life – thank you!

To Simon, Mary & the Stubcroft Farm campers,

Thank you so much for your gift of £2,250 to Sightsavers. We are incredibly grateful to have received this fantastic gift! Thank you to the guests of Stubcroft Farm & Campsite for donating a total of £398.95 to the reception charity box. And thank you for your personal donation of £1,851.05.

At Sightsavers, we believe everyone has the right to learn, earn and participate in society - a belief which can become a reality through your kindness and generosity.

Your support is helping children and adults receive treatment for blinding conditions such as trachoma and cataracts, and enabling people with disabilities gain equity in education, the workplace and across society.

Every gift you give touches another person's life, including funding life-changing operations for children like Happy. Because of your generosity, pain and fear can be replaced with relief, happiness, and hope for the future.

With you by our side, we can continue working saving sight, protecting families from preventable disease, and standing up for fairness and inclusion for all. Thank you for making this work possible.

With warmest wishes,
